All,

I know you are planning to participate in the dinner Sunday evening, May 7th with Secretary Ryan Zinke. The dinner will be hosted by the Office of Outdoor Recreation, and a portion of the program will include a panel discussion with several industry leaders.

We would like to request that you each host a table at this event. I have included the table assignments here. The tables will be set up in 3 rows with tables 1 - 4 at front closest to stage, tables 5 - 7 in the middle, and tables 8 - 11 at the rear. Table 11 has not been assigned but will be set for last-minute participants.

The social is set to begin at 6:00 pm. No drinks or hors d'oeuvres will be served - simply a chance to socialize or tour the capitol for those unfamiliar with the building. Dinner buffet begins at 6:30 pm.

Thank you in advance for your help with this. If you have any questions, just give me a call. My cell number is [REDACTED]

Best,
Kathy

Lanea,

Here is my guest list for the room block. Please note that I have not included security in any of this, as they will be making their own reservations independent of our room block. You have been SOOO great with all these last minute changes and we definitely appreciate all your hard work.

When possible, will you let me know guaranteed rates for those hotels I've highlighted in yellow?

Thank you!

I spoke with Inn at the Canyons, and they confirmed the \$104.99 + tax rate. They also said they did not require a guest list -- They were fine using Justin Harding's name on all the rooms.

However, we have been asked to save 9 rooms for both They can all check in under Justin Harding's name unless we want to change this.

Just so long as we can get everyone through the buffet that quickly. Also, when do you expect the industry guests to eat? Doesn't look like there's much time built in for them? Will also create a lot of noise during panel.

Sunday evening - table assignments

2 messages

Kathy Whitehead <kwhitehead@utah.gov>

To: Justin Harding <jharding@utah.gov>, Fran Stultz <fstultz@utah.gov>

Justin, Fran,

here is a first round of suggested table assignments. Please review and make sure there are no potential blunders with the groups :). I have indicated who the host of the table is and how many people are at each table. I have left table 11 out, since we will simply set that table and have it available for any last-minute guests. I also split up exec. protection between tables 9 and 10. I figured Fran and I will be up and moving most of the time, so may not be sitting that often :).

Some questions:

1. Fran, once I print out the name cards (suggestions for name cards are on this file also), will you want to place them in the appropriate seats? Perhaps the only table that really matters will be Table 1?

2. Justin, is Nathan Rafferty attending? I had him on my original list, but he seems to have dropped off. Fran and I double checked these lists last night after you left, so unless you made any changes recently to the Google doc, with the exception of Nathan, I think our list is accurate.

3. I highlighted the name cards in blue of those people from industry I believe are participating in the panel. However, there are 8 highlighted (including Tom). Will one of you please let me know which of these people will NOT be participating on the OR panel discussion? Just want to make sure we have the appropriate number of chairs on the dais.

See you soon.

Dear County Commissioners,

Thank you for your excellent help planning and coordinating Secretary Zinke's upcoming visit to the great state of Utah.

Attached you will please find the agenda for his trip. While DOI has now formally confirmed he is coming to Utah, it is critical that neither this agenda nor any of its details be released to the media or the public.

Please let me know if you have any questions or concerns.

Regards,

Justin Harding

Team Utah,

Please find attached a copy of the final agenda. There are a few details that still need to be worked out, but this gives you a solid understanding of the run of show and the participants.

With regard to parking on Sunday for the afternoon meetings and meal, as well as on Monday morning, I have copied [REDACTED] from the UHP. He can help coordinate parking for your bosses. Staff will need to park in the east visitor lot and enter the north doors to the Capitol.

Please let me know if you have any questions or concerns.

Regards,

Justin

P.S. Interior just released their media advisory on the trip. Word is out!

Cheers!

As you may be aware, Governor Herbert's schedule changes frequently and, at times, virtually at the last minute. Because of the governor's obligations to the state, he could, of necessity, be called away at any time. In the event the governor must miss your event, you will be notified as quickly as possible.

As you may be aware, Governor Herbert's schedule changes frequently and, at times, virtually at the last minute. Because of the governor's obligations to the state, he could, of necessity, be called away at any time. In the event the governor must miss your event, you will be notified as quickly as possible.
